

## Golliheair Ranch, San Antonio, OG.133

**Directions:** Online mapping applications do not provide valid directions to this property. To reach this property, on the east side of San Antonio on Highway 380, look for Socorro County Road A129. Take A129 North and follow this onto WSMR Rt. 5. The property can also be accessed from the north via Johnson Hill Road and WSMR Rt. 5.

**Information:** This property contains 7,893 acres located in GMU 18, east of Socorro, NM, off Highway 380. The property is situated in between White Sands Missile Range and the Sevilleta National Wildlife Refuge. It is located in the middle of a large block of State Trust and BLM land. The entire ranch is covered with good wildlife habitat and provides good hunting opportunities for the different game species listed. There are currently two wells on the property which supply water for 6 tanks and 2 small springs that run year round providing some additional surface water.

**Permitted Activities:** Hunting is only permitted on this property during the seasons and dates specified in the Open Gate lease agreement between the Department of Game and Fish and the landowner. Access to the property is subject to the terms and conditions in the Open Gate lease agreement and is restricted to the following permitted uses:

Permitted Activities	Available Dates	Remarks
Dove Hunting (Mourning, White-winged and Eurasian Collared Doves, and Band-tailed Pigeon)	Migratory game bird seasons and bag limits are set by Federal framework and will be available upon publication of the New Mexico 2021-2022 Migratory Game Bird Rules and Information Book	
Quail Hunting	Upland game seasons and bag limits will be available upon publication of the New Mexico 2021-2022 Upland Game Rules and Information Book	

**Open Gate** is a program that leases private lands to improve public access for hunting, fishing, and trapping. Open Gate leases are funded exclusively by hunters, anglers, and trappers through the purchase of the Habitat Management and Access Validation (HMAV).
