

Head Ranch, Fort Sumner, OG.134

Information: This property contains 1,350 acres located in GMU 40 approximately 12 miles north of Fort Sumner, NM off Highway 84. Located in the southern high plains of eastern New Mexico, this is a working cattle ranch covered by a mixture of native grasses and different types of brush. It has a few wells that supply water for the rancher's livestock. In wetter years, the dirt tanks on the property will fill and hold water as well. Water sources attract doves and provide shooting opportunities. Quail populations on and around the property provide decent quail hunting.

Permitted Activities: Hunting is only permitted on this property during the seasons and dates specified in the Open Gate lease agreement between the Department of Game and Fish and the landowner. Access to the property is subject to the terms and conditions in the Open Gate lease agreement and is restricted to the following permitted activities:

Permitted Activities	Available Dates	Remarks
Dove Hunting (Mourning, White-winged and Eurasian Collared Doves, and Band-tailed Pigeon)	Migratory game bird seasons and bag limits are set by Federal framework and will be available upon publication of the New Mexico 2021-2022 Migratory Game Bird Rules and Information Book	
Quail Hunting	Upland game seasons and bag limits will be available upon publication of the New Mexico 2021-2022 Upland Game Rules and Information Book	

Open Gate is a program that leases private lands to improve public access for hunting, fishing, and trapping. Open Gate leases are funded exclusively by hunters, anglers, and trappers through the purchase of the Habitat Management and Access Validation (HMAV).
