## Mobility-Impaired (MI) Hunters

A mobility-impaired card allows a hunter to: 1) shoot from a stationary motor-driven vehicle only when it has been parked completely off of the established road surface and there is no right-of-way fence; 2) have one assistant to help track and kill big game that has been clearly wounded by the MI hunter. **The assistant must have written authorization from the MI hunter and must use the same sporting-arm type as the MI hunter;** 3) use a crossbow during a bow hunt.

## Reasonable Accommodation Permits

Hunters with injuries or conditions that don't qualify for the Mobility Impaired certification may request specific disability accommodations on a case-by-case basis. For more information, call **1-888-248-6866**.
