Military and Veteran Licenses and Hunt Opportunities

NMDGF acknowledges the contribution and sacrifice of active military and veterans with several discounted licenses and special hunting opportunities. Information about active military and veteran hunting and fishing opportunities and how to apply is available online and by telephone.

50% Discount for Resident Active Military and Veterans

A 50% discount on all licenses, permits and stamps is available to New Mexico residents who are active duty military or honorably discharged veterans. The discount may be claimed by applying for or purchasing any license, permit or stamp online, by telephone or at any license vendor. Residents claiming this discount must be able to provide proof of active duty military (page 122) or honorably discharged veteran status (page 127) upon request. **Discount does not apply to:** application fees, license vendor fees, administrative fees, duplicate license fees, the federal duck stamp, or the resident disabled veteran game-hunting & fishing license.

Proof of Active Military Status Required Prior to Application for All Military-only Draw Hunts

Each license year, applicants must provide proof of full-time, active-duty status. Veterans and reservists are not eligible for military-only hunts. Orders or other documentation (excluding military ID cards) of current active-duty service must be received by NMDGF prior to application. Proof may be submitted by email:

specialhunts@dgf.nm.gov fax: **505-476-8180** or U.S. Mail: **NMDGF Special Hunts, One Wildlife Way, Santa Fe, NM 87507.**

100% Disabled Resident Veterans

New Mexico residents who are 100% disabled as a result of having served in the U.S. military are eligible for a free lifetime game-hunting & fishing license. The disabled veteran must apply for a Disabled Veteran card. This card is issued by the New Mexico Department of Game and Fish and allows the cardholder to fish, hunt small game and obtain a deer hunting license free of charge. The deer hunting license will be issued only if the cardholder has applied and been successful in the draw for deer, or if the cardholder obtains written permission from a landowner for a private-land deer hunt. The free deer hunting license must be applied for each license year, and no preference is given for public-land deer draws. A habitat stamp, if applicable, is required for any privilege not covered by the Disabled Veteran Card.

Disabled Veteran Game-hunting & Fishing License

New Mexico residents who are disabled veterans of the U.S. military, but do not meet the 100% disabled qualification, are eligible for a \$10 combination game-hunting & fishing license. Disabled veterans may purchase this license online, by telephone or at license vendors. A HMAV and a habitat stamp if applicable (pages 9–10) are required.
