Access to Public Lands

There are approximately nine million acres of national forest and 13 million acres of BLM lands in New Mexico. NMDGF recommends contacting the appropriate land management agency prior to hunting. Many public lands in New Mexico are interspersed with privately owned property and private landowners have the right to control the use of their private lands. Where no public access exists, sportsmen/women must obtain written permission from the landowner or leaseholder to cross private land for access to public land. It is unlawful for anyone to post or restrict lawful use of public land.

National Parks and Monuments

National parks and national monuments are closed to hunting, except the following BLM managed national monuments:

Rio Grande Del Norte National Monument	575-751-4899
Prehistoric Trackways National Monument and Organ Mountains– Desert Peaks National Monument	575-525-4300

Valles Caldera National Preserve

All of unit 6B is closed to hunting and trapping, except elk and turkey draw hunts. All hunters and participants in any firearm hunt on Valles Caldera National Preserve (VCNP), except turkey hunters using shotguns, must wear a minimum of 244 square inches of blaze orange. A special-use permit fee (\$35) and 7-day entrance fee (\$25) must be paid. The VCNP honors any NPS pass to waive the \$25 entrance fee. This includes NPS Annual, Lifetime, Senior, Military, Volunteer, and Access passes in addition to the America the Beautiful Pass. Hunters must obtain a special-use permit and are required to attend an orientation before hunting on VCNP. Hunters should review all information regarding VCNP hunting rules and regulations at: www.nps.gov/vall. For more information call: **575-829-4100**.

National Wildlife Refuges (NWR)

NWRs are closed to hunting unless specified open by federal refuge regulations for hunting particular species. If specified open, U.S. Fish & Wildlife Service-approved nontoxic shot is required for hunting on all NWRs.

Bosque del Apache National Wildlife Refuge:	575-835-1828
Bitter Lake National Wildlife Refuge:	575-622-6755

Forest Service Lands

Most national forest lands in New Mexico are open to public hunting and fishing. Each national forest requires outfitters and guides to obtain a permit to provide services. Vehicle-use restrictions may apply on Forest Service properties. Specific roads are closed in some national forests to protect natural resources. It is unlawful to use vehicles in areas closed under the Habitat Protection Act. **Late Season Road Closures:** If intending to utilize roads through Forest Service or BLM property, it is advisable to contact the appropriate land management field office (pages 39) beforehand for late-season or winter closures and other access restrictions.

Stay Informed about Controlled Burns

The U.S. Forest Service and other public-land management agencies routinely conduct controlled burns in forested areas during the fall months. Prescribed fires maintain a diverse and healthy forest ecosystem and improve wildlife habitat. Hunters are encouraged to be aware before their hunt and check **nmfireinfo.com** for burn advisories. No refunds will be offered if a controlled burn is conducted in your hunt area.

Sandia Ranger District: Cibola National Forest

The Sandia Ranger District is restricted to bow and crossbow only during established seasons.

Valle Vidal: Carson National Forest

The Valle Vidal is closed seasonally to public access: the west side is closed May 1–June 30, and the east side is closed Jan. 1–March 31. The Valle Vidal unit is open to deer, elk, bear and turkey hunting by draw only and is closed to all small-game hunting. Off-road travel is prohibited, and camping is allowed only in designated campgrounds or more than one-half mile from the road. Other restrictions may apply. However, it is the responsibility of each hunter and angler to know what restrictions apply. Outfitters and guides providing services on BLM lands must possess a permit issued by each specific BLM district. Off-road vehicle travel may be restricted or prohibited on BLM lands, depending on location. New Mexico State Trust Land

The New Mexico State Game Commission and the Commissioner of Public Lands have an agreement that provides access for hunting and fishing of protected species on State Trust Land by NMDGF licensees during the seasons for which their licenses are valid. Trapping is not allowed on State Trust Lands. A copy of this agreement and other information about hunting access on State Trust Land can be found at: www.nmstatelands.org/resources/hunting-access-information/. People seeking to use State Trust Land for uses not addressed under this agreement must secure separate approval from the New Mexico State Land Office (NMSLO). For more information, contact NMSLO at: **505-827-5760** or visit: www.nmstatelands.org.

Access

Certain areas may be unavailable for hunting or fishing. For specific locations, contact NMSLO at the phone number above or use the interactive map at: mapservice.nmstatelands.org/HuntingInformation.

The right to enter State Trust Land via vehicle is allowed if access is available by public road (defined in Section 67–2–1, NMSA 1978) or on other established roads on State Trust Land that have not been closed to vehicular traffic. Access is also allowed on foot from roads mentioned above or from adjacent public and private lands that have been lawfully accessed.

NMDGF and NMSLO have identified specific hunting access points on State Trust Land that must be unlocked during any open season. These access points are shown on NMSLO's interactive map.

To ensure access and create large and better defined hunting areas, hunting privileges for some State Trust Land have been exchanged for similar privileges on private lands. The private-land areas have signs posted with notices that the land has been unitized (page 44). Observe these signs and contact NMDGF if you have questions about which lands are open for public use.

On legally accessible State Trust Land, you may:

- Scout for big game 14 days prior to the open season.
- Hunt for big game or take protected furbearers during open hours and seasons.
- Hunt nongame species on State Trust Land, but only during the period in which your license is valid for protected species on those lands.
- Camp with the permission of the State Trust Land agricultural lessee, in campsites designated under this agreement and shown on NMSLO's interactive map, or as otherwise authorized by the commissioner.
- Take up to three guests per license holder on your hunt.

If you have problems or questions about gaining access to State Trust Land, record complete details including the location, date, time, and names of parties involved, and contact one of the following:

- The local NMDGF Conservation Officer or NMDGF Operation Game Thief:
1-800-432-4263.
- NMSLO in Santa Fe at: **505-827-5760**
or the appropriate local NMSLO Field Office, using the directory at:
www.nmstatelands.org/divisions/surface-resources/district-offices.
- Submit a Multiple Use Incident Reporting Form,
found at: www.nmstatelands.org/resources/hunting-access-information/.

Don't Bring Firewood into New Mexico from Other States!

Bringing firewood from one state to another has become the principal method by which damaging insect pests and diseases are introduced to forests. Emerald ash borer, Sirex woodwasps, gypsy moth, Asian longhorn beetle and oak wilt disease can be transported in firewood and are the cause of significant damage to forests in other states. If established, these pests are almost always fatal to trees and will decimate forested areas and riparian areas. **In the event you bring firewood from another state, please burn all of it immediately.**

Purchase or collect firewood within New Mexico.

For more information contact the New Mexico Department of Agriculture: **575-646-3207** or the U.S. Department of Agriculture–Plant Protection and Quarantine: **575-527-6985**.

Wildlife Management Areas

New Mexico State Game Commission Lands

The New Mexico State Game Commission owns and manages lands across New Mexico for the benefit of fish, wildlife and their habitats. These lands include wildlife management areas (WMAs). WMAs open for hunting are listed in this booklet. All WMAs are closed to hunting unless specifically listed as open.

Big-game and Turkey Hunting on Wildlife Management Areas

- WMAs designated open for big-game and turkey hunting are listed in this booklet for each big-game species by GMU. All WMAs not listed are closed to big-game and turkey hunting.
- Only New Mexico residents may apply for big-game hunts held exclusively on WMAs. Non-residents may apply only for hunts open concurrently on both a WMA and other public lands.
- Scouting is allowed by each properly licensed big-game hunter with up to three guests during the seven-day period prior to the published start date of his/her hunt.

General Rules for Hunting on Wildlife Management Areas

- WMA access is allowed by each properly-licensed hunter with up to three guests, during the hunt period on their license (includes scouting period for big-game and turkey hunters only).
- Individuals may not enter closed areas as posted on site.
- Vehicles may not be operated off established roads or on closed roads.
- Camping is restricted to designated areas. Individuals may not camp more than 14 consecutive days, unless the combined hunting and scouting periods for which the hunter is licensed exceeds the 14 days.
- Campfires must be safely contained.
- Dogs must remain on leash, except when being used for hunting purposes as allowed by rule.
- Domestic livestock feed, other than pelleted grain feed or hay certified as weed free, is prohibited.

- Individuals may not violate access rules for specific WMAs posted on site or otherwise published by NMDGF.
- Hunting for nongame animals or unprotected species (feral hogs) is not allowed on WMAs, except Water Canyon WMA where nongame hunting is allowed January 1–March 31, 2023.

For further rules and specific information about each WMA, visit Conservation/State Game Commission Lands at www.wildlife.state.nm.us/conservation/state-game-commission-lands/.

Private Lands

Licenses, applications, harvest reporting and general information: **1-888-248-6866**

Hunting on Private Land

Hunters must possess written permission before entering private lands (*see Criminal Trespass*, pages 25–26). It is unlawful to knowingly enter any private property to hunt, capture, take, attempt to take or kill any protected species on posted private property without written permission from the landowner or person in control of the land. It also is unlawful to remain on private property if consent has been denied or withdrawn. Any game taken in violation of the above shall be subject to seizure. Written permission form downloadable at: <https://www.wildlife.state.nm.us/download/hunting/maps/Written-Permission-to-Hunt-Private-Land.pdf>

Unitization Agreements: Access and Use

Unitization agreements are cooperative temporary agreements between landowners and the NMDGF, the State Land Office and/or the Bureau of Land Management (BLM). These agreements increase public hunting access during the hunting season to previously inaccessible areas, while diminishing trespass issues for landowners and enabling them to better manage ranching operations. Each agreement is reviewed annually, and the public may provide comments.

To take advantage of the hunting opportunities unitized ranches provide, hunters must have a valid license for the season and species identified in each agreement.

For maps and information on ranches that have entered into unitization agreements visit: <http://www.wildlife.state.nm.us/hunting/maps/unitized-ranch/>. Also, to assist and inform hunters in the field, signs will be posted on public and private property where unitization agreements are in effect. CarryMap shows all current unitizations (see page 120).

Hunters may hunt on private lands that have been opened through a unitization agreement. Hunters must have permission from the lessee to hunt on BLM/State Trust lands that have been closed through a unitization agreement. Game animals taken in violation of unitization agreements may be seized.

Native American Lands

Contact individual pueblos, tribes and nations for more information.

Hunting on Native American lands is outside the jurisdiction of the NMDGF. Permission must be obtained from the pueblo, tribe or nation that owns the land.

Game and/or fish taken on or from native lands must be accompanied by an official document, such as a license or receipt from tribal authorities, which demonstrates lawful possession.
