Oryx Draw Licenses

The deadline to apply for oryx draw licenses is March 22, 2023. Up to two people may apply per application. The majority of these hunts occur on the White Sands Missile Range (WSMR). Successful applicants will be mailed an oryx draw license/tag unless the E-Tag option is chosen.

All once-in-a-lifetime, broken-horn and youth-only oryx hunts are three-day hunts. Friday will be primarily for checking into WSMR. If no military missions are scheduled, hunting may be allowed on Friday afternoons after check-in. Additional information concerning Friday opportunities will be emailed to each license holder.

WSMR will charge a \$150 per hunter access fee; 50% military discount applies. Successful WSMR applicants will receive an email from WSMR with instructions for fee payment. Hunters are responsible for timely payment and will not be allowed to hunt if the access fee has not been paid by the specified deadline. Military authorities may delay or cancel hunts.

Bag Limit

ES Either sex (any one oryx).

BHO Any broken-horn oryx (missing a minimum of 25% of one horn). **See page 123.**

White Sands Missile Range (WSMR) Security

Hunters who successfully draw a WSMR hunt, and their guests, must first complete a security-background check to be allowed on WSMR. Security-background registration forms will be sent in advance to all successful license holders prior to the hunt. All hunters and guests must have completed forms approved prior to being allowed access to WSMR. Vehicles entering WSMR are subject to search by WSMR security officers.

WSMR bans all alcoholic beverages, camcorders, radar detectors and concealed weapons. Discovery of banned items and/or failure to comply with WSMR requirements or other laws and regulation can result in revocation of hunting privileges on WSMR. If escorted off WSMR, license fees are nonrefundable.
