Restrictions and Requirements

Bag Limit: The bag limit is one bear. No cub younger than one year old or any female accompanied by a cub(s) may be taken.

Closed Areas: Rio Grande Wild and Scenic River Area, including Taos Valley Overlook; all wildlife management areas (WMAs are open only to hunters with a valid bear draw permit and bear hunting license during draw seasons for that area); and unit 6B (Valles Caldera National Preserve).

Electronic Calls: Electronic calls are allowed for bear hunting.

Bear Management Zones and Harvest Limits (map, page 112): New Mexico is divided into 14 Bear Management Zones, enabling NMDGF to better manage regional bear populations. Each zone has two harvest limits: 1) the total number of bears that may be harvested (total limit); and 2) the number of female bears that may be harvested (female limit). Harvest limits for each Bear Management Zone are listed in the table on page 110. Bear management zones close when harvests reach 90% of the total limit, 90% of the female limit, or when the season has ended—whichever occurs first.

Bow Only: Sandia Ranger District in Zones 8 and 14, and the draw hunt in Sugarite Canyon State Park.

Zone Closure: Before hunting, hunters must verify their preferred zone is still open. Check online: www.wildlife.state.nm.us/hunting/information-by-animal/big-game/bear/ or call: **1-877-950-5466**.

Pelt Tags Required: Harvested bears must be both carcass tagged and pelt tagged. The carcass tag must be properly notched and attached immediately after the animal is harvested. The hunter must present the carcass tag, skull and hide for pelt tagging to any conservation officer or any NMDGF office **within five days** of killing the bear before the pelt can be frozen, processed, tanned or salted by a taxidermist or before transporting the hide outside New Mexico, whichever occurs first. **Hunters who appoint a designee to transport the harvested bear for pelt tagging are required to contact a conservation officer prior to pelt tagging to receive a designee code.** Hunters or their designee is required to present the **unfrozen skull of any bear killed with the mouth fixed open** for removal of a premolar tooth. Hunters or their designee must provide all required information at the time of pelt tagging including, but not

Licenses, applications, harvest reporting and general information: **www.wildlife.state.nm.us**

limited to: sex of the animal and date and location of harvest. The pelt tag must remain attached to the hide until the hide is processed. Improperly tagged hides will be seized by NMDGF.

Proof of Sex: The testicles, penis and/or baculum of a male, or the vulva of a female, must remain naturally attached to the hide and be visible to the NMDGF tagging official. NMDGF will pelt tag a harvested bear only if proof of sex is attached to the hide and readily visible to the tagging official. Bears presented to NMDGF for tagging without proof of sex attached will be seized.

Use of Dogs: Dog use is **not allowed** on wildlife management areas (WMAs) or during September bow seasons. Dog use is **allowed** to hunt bears elsewhere during hunts for any legal sporting arm (see table, page 110). When dogs are used to hunt bears, the licensed hunter who harvests the bear must be present continuously from the time any dog is released. Dogs may be released only during legal hunting hours. There is no pursuit or training season outside the regular open season.

Baiting and Trapping: Baiting and trapping are **not legal methods** for taking bear. If accidentally trapped, the bear must be released. For assistance releasing a bear, contact NMDGF.

Valle Vidal: It is unlawful to hunt bears on the Valle Vidal, except for hunters who successfully draw a bear draw permit and purchase a game-hunting license and an over-the-counter bear license. Dogs are allowed during the April 15–May 20 and the Aug. 1–31 hunts.

Properly licensed Valle Vidal elk hunters may also hunt bears on the Valle Vidal provided they:

1) possess a Valle Vidal rifle, muzzleloader or bow elk license; 2) possess an OTC bear license and tag; 3) use the sporting arm type specified for their elk hunt; 4) hunt only during the dates of their elk hunt; and 5) the harvest limit in Bear Management Zone 5 has not been met and the season is still open.

Livestock Damage: Landowners, lessees or their regular employees do not need a license to kill a bear that has killed domestic livestock or presents an immediate threat to human life or property. Any person taking such action **must report the incident to NMDGF within 24 hours**. Pelts, claws and other parts of depredating animals taken under this provision are the property of the State of New Mexico and must be delivered to NMDGF.

Over-the-Counter (OTC) License Hunts

An OTC bear license is required to hunt bears in New Mexico, including to validate draw permits. Licenses may be purchased online at **www.wildlife.state.nm.us**, by telephone: **1-888-248-6866**, or in person at NMDGF offices or from license vendors. If planning to hunt within 14 days of online or telephone purchase, hunters may be required to obtain tags at a license vendor or NMDGF office, unless the E-Tag option is chosen.

Bear Licenses must be purchased at least two calendar days before hunting.

Bear Draw Permits (OTC bear license required)

Deadline to apply for bear draw permits is Feb. 15, 2023. Only one person may apply per application.

Successful applicants must purchase an over-the-counter bear license to validate their draw permit. Licenses may be purchased online at www.wildlife.state.nm.us, by telephone: **1-888-248-6866**, or in person at NMDGF offices or from license vendors. Online and telephone purchases must be made at least 14 days prior to hunt start date to allow mailing of tags unless the E-Tag option is chosen. Tags include instructions for proper tagging.

Bear draw permits are available for the areas listed in the table below. Only New Mexico residents may apply for WMA bear draw permits. Hunters may hunt during the over-the-counter season if they have not taken a bear during their draw hunt. During draw hunts, dogs are prohibited on WMAs and Sugarite Canyon State Park, and are allowed only on the Valle Vidal.
