10. **Packing, Shipping and Invoicing:**

18. **Submission of Bid:** Bids must be submitted in a sealed envelope with the bid number and opening date clearly indicated on the bottom left hand side of the front of the envelope. Failure to label bid envelope will necessitate the premature opening of the bid in order to identify the bid number.

19. **Contractor Personnel:** Personnel proposed in the Contractor's written bid to the Procuring Agency are considered material to any work performed under this Price Agreement. Once a Purchase Order or contract has been executed, no changes of personnel will be made by the Contractor without prior written consent of the Procuring Agency. 20. **Subcontracting:** The Contractor shall not subcontract any portion of the Price Agreement without the prior written approval of the Procuring Agency. No such subcontracting shall relieve the Contractor from its obligations and liabilities under this Price Agreement, nor shall any subcontracting obligate payment from the Agency.

21. **Records and Audit:** The Contractor shall maintain detailed time and expenditure records that indicate the date, time, nature, and cost of services rendered during this Price Agreement's term and effect, and retain them for a period of three (3) years from the date of final payment under this Price Agreement. Specifications:**The New Mexico Department of Game and Fish intends to establish a price agreement for Auction Services Physical On/Site.**

Bidders will provide physical on-site Auction Services for the New Mexico Department of Game and Fish. Items that can be auctioned off will be approved by the New Mexico Game and Fish Commission. These items will consist of a wide range of things (from miscellaneous odds and ends to large agency capital assets). The goal of this auction is to auction off all of our items from our disposal list to the general public over the course of up to 3 days. The site that is selected will be provided by the auctioneer and can be anywhere in the state where it is logistically feasible to move auction items to that location.

Term:

The term of this agreement shall be awarded for (4) four years. Upon approval of the Department, and the State Purchasing Agent, the term of this Price Agreement shall be awarded for (4) four years. The State reserves the right to terminate this agreement upon a thirty-day written notice to all parties.

Escalation/Reduction:

Contractor shall keep pricing fixed for each year of this Agreement. Thereafter, SPD and the Contractor may adjust pricing no more than once annually through an amendment to the Agreement at the time of Agreement renewal. Contractor shall submit all pricing increase requests to SPD directly or through the agency contact in writing and provide substantiating evidence that each request is based on demonstrable market changes impacting the cost of products. The request must show all proposed increases by line item and include supporting documentation acceptable to SPD (such as a letter from a manufacturer indicating price increases, etc.) SPD's decision on what is acceptable in this context is final and shall be accepted by all parties to the Agreement. ***Requested price increases that exceed 10% will not be accepted.*** No price increase may result in a higher profit margin for the Contractor than at the beginning of the initial term of this Agreement. Pricing changes will apply to Agreements and amendments to Agreements entered on and after the effective date of the price change. Price decreases as well as increases shall apply in the same manner. If vendor's prices are reduced for any reason, users shall receive the benefit of such reductions, immediately. Price increases will not be retroactive to orders already in house or backorders. Orders will be filled at the price in effect on the date of receipt of the order by the vendor. To facilitate prompt consideration, all requests for price increase must include all information listed below:

1. Agreement Item Number
2. Current Item Price
3. Proposed New Price
4. Percentage of Increase
5. Mill/Supplier Notification of price increase indicating percentage of increase including reason for increase.

This price agreement is designed to be used by other local and state government agencies. This price agreement can be used in conjunction with other agencies needing the same type of auction services. This ability to combine different agencies will enable the vendor selected to create a larger auction and to hopefully get a larger public turnout and a larger return on our investment. Due to the large geographic area of New Mexico, this price agreement will be awarded to multiple vendors to make sure the entire state can be covered to eliminate transportation cost and time. The bid that is provided will be based on a percentage matrix of different gross amounts auctioned off. Included in this %, auctioneer will provide all advertising to market the auction through different media. Media types can include internet, print, billboards, TV, radio, or any other advertising that the vendor deems suitable for that specific market. The % that is charged to state or local agency also includes all vendor staff required to auction off the items. The % commission will encompass all of the cost that the vendor will incur. The agency will not receive an invoice for services provided, all of the cost of doing business will be incorporated into the % commission that is being charged. The agency will receive a check for the gross amount received for the auctioned items minus the commission from the vendor

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

A. ELECTRONIC RECORD AND SIGNATURE DISCLOSURE (ERSD)

From time to time, New Mexico General Services Department (GSD), on behalf of the State of New Mexico (SONM), may be required by law to provide you with certain written notices or disclosures. Stated below are the terms and conditions for GSD's providing you such notices and disclosures electronically through the DocuSign system. Please read this information carefully. If you are able to access this information electronically and agree to **this Electronic Record and Signature Disclosure (ERSD)**, please confirm your agreement by selecting the check-box next to "I agree to use electronic records and signatures" before clicking "CONTINUE" within the DocuSign system.

B. Obtaining paper copies

At any time up to twenty (20) calendar days following your use of DocuSign to electronically sign a document, you may request a paper copy of any record provided or made available electronically to you by GSD. You will have the ability to download and print documents SONM sends you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a twenty (20) calendar day period after such documents are first sent to you. Following the twenty (20) day period, if you want GSD to send you paper copies of any such documents from GSD's office, you will be charged a \$1.00 per-page fee plus postage. You may request delivery of such paper copies from GSD by following the procedure stated in Section H, below.

C. Withdrawing your consent

If you decide to receive notices and disclosures from GSD electronically, you may at any time change your mind and inform GSD you want to receive required notices and disclosures only in paper format. The procedure concerning how you may inform GSD of your decision to receive future notices and disclosures in paper format as well as withdraw your consent to receive notices and disclosures electronically is stated in Section D, immediately below.

D. Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed with which GSD will be able to complete certain steps in specific transactions and deliver paper copies to you. GSD will need: (1) to send the required notices or disclosures to you in paper format; and (2) wait until GSD receives your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from SONM or to electronically sign documents generated and sent to you from SONM.

E. All notices and disclosures will be sent to you electronically

Unless you inform GSD otherwise according to these procedures, GSD will electronically provide you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements and other documents that are required to be provided or made available to you during the course of your electronic signature relationship with SONM. To reduce the possibility of inadvertent non-receipt, GSD prefers to provide all required notices and disclosures by the same method and to the same email or physical address that you furnish to GSD. Thus, you may receive the disclosures and notices electronically or in paper form. If you do not agree with this procedure, please inform GSD according to the procedures stated in Section I, below. Please also refer to Section D, immediately above, which states the consequences resulting from your declination of electronic delivery of notices and disclosures.

F. How to contact GSD:

You may inform General Services Department (GSD) of any changes you select regarding State Purchasing Division's (SPD) electronic communications with you, to request paper copies of certain information from SPD, and to withdraw your prior consent to receive notices and disclosures electronically by emailing your request(s) to SPD at: GSD.SPInfo@state.nm.us

G. To advise SPD of your new email address

To inform SPD of a change in the email address to which SPD sends you notices and disclosures electronically, you must send an email to SPD at GSD.SPInfo@state.nm.us and in the body of such request you must include your previous and new email addresses.

H. To request paper copies from SPD

To request delivery of paper copies of electronic notices and disclosures that DocuSign and/or SPD have previously provided to you, you must send an email to SPD at GSD.SPInfo@state.nm.us and in the body of your email request state your email address, full name, mailing address, and telephone number. SPD will charge you a \$1.00 per page copy fee plus postage.

I. To withdraw your consent with SPD

To inform SPD that you no longer wish to receive notices and disclosures in electronic format you may:

(1) Decline to sign a document from within a signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may:

(2) Send SPD an email to GSD.SPDinfo@state.nm.us and in the body of your request state your email address, full name, mailing address, and telephone number.

J. Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current DocuSign system requirements may be found at:

<https://support.docusign.com/guides/signer-guide-signing-system-requirements>

K. Acknowledging your access and consent to receive and sign documents electronically

To confirm that you are able to electronically access the information contained in this Electronic Record and Signature Disclosure (ERSD), please confirm that you have: (1) read this ERSD, and either: (2) you are able to print on paper or electronically save this ERSD for your future reference and access; or (3) you are able to email this ERSD to an email address where you will be able to print this ERSD on paper and/or save this ERSD for your future reference and access. Further, if you consent to receiving notices and disclosures from DocuSign and/or SPD exclusively in electronic format, then select the check-box next to “I agree to use electronic records and signatures,” before you click “CONTINUE” within the DocuSign system.

By selecting the check-box next to “I agree to use electronic records and signatures,” you confirm that:

- You have read this Electronic Record and Signature Disclosure (ERSD); and
- You can print this ERSD on paper, or you can save and/ or send this ERSD to a location where you can print this ERSD, for your future reference and access; and
